paper correspondents in Washington is John Kean, senior United States senator from New Jersey. Many important items of news have been made known by Mr. Kean to these representatives of the press long before they became public. Nothing is so dear to the heart of a newspaper man as a good "beat," but the senator has yet to find one of these news gatherers who has betrayed his confidence.

### CROPS.

The world's cocoa crop in 1906 was about 151,000 metric tons. Of this quantity Germany got over 35,000 tons.

At Penon, Mexico, a suburb of the City of Mexico, may be seen what is of it-it seems that the English like the perhaps the smallest church in the book quite as well as Americans do! ten feet high and twelve feet wide. Modern Mexico says, "Whenever a con- est books ever written by a hishop, or church there is barely room for the and then it goes on, quoting several col

### Thomas Beecham.

village, town and city on the face of the giobe has passed into the Great Be-yond, leaving his friends, acquaint-ances and his commercial world to mourn a most interesting and lovable personality. He has left a monument to his memory in the gigantic business establishment he created and placed The Best Hotel Value in hasis, and in the hearts of those who knew him both in business and in private life.

Mr. Beecham was the founder of the great pill manufactories in Europe and America and which had their small be cinning in the town of Wigan over half a century ago. It seems almost in-credible that the great manufacturing establishment of Beecham's Pills should have built their enormous success around an accidental remark dropped by a lady customer, that these pills were "Worth a guinea a box." But this remark was the catchword, the slogan of an advertising campaign which in 1890 was roughly estimated to cost \$500,000 a year—the largest campaign of the commercial world. It placed Mr. Beecham in the front rank of men who had achieved a great success through natural aptitude and indomitable

Mr. Beecham is business layed promptitude and had the thorough re-spect and love of his employes and their full co-operation because of this existing condition between employer

Mr. Beecham was eighty-six years old. The great establishment will be continued by his son and partner, Mr. Joseph Beecham, who has been for many years an active factor in the conduct of the business and who has personally guided the tremendous adver-tising campaign which has made Beecham's Pills "worth a guinea a box" t household word in every civilized

How to Mix Fertilizers at Home. . To any farmer who will write us, to be diverced from your appendix. There

### High Praise From England.

It would scarcely be expected that Bishop Talbot's reminiscences would be well received in England, for the frank-ness of phrase, the unconventionality, the constant absence of formality and stiffness, the picturing of church services of eranberry bogs. New Jersey 8,000 acres and Wisconsin 6,000 acres. In point of area next comes Rhode Island, followed by Connecticut and New York. Several other states have from York. Several other states have from but was for years the "Cowboy Bishop" one to fifty acres.

One to fifty acres. Now-and here is the surprising pa

The Christian World of London for world. It nestles under the shadow of a small volcano. The church is about week," and devotes much space to it. "This is one of the raciest and brightple is married at the little altar of the we may say, by any one else," it begins; umns of amusing aneedote and description, with laudatory words frequently interspersed. And it takes care to say, too, lest any should think it nothing but a book of fun. groom and bride to turn around at the tunns of amusing anecdote and description, with laudatory words frequently interspersed. And it takes care to say,

By the death of Thomas Beecham at his bone in Southport England, on Saturday, April 6; a man whose name was a household word in every hamlet, either though his book."

Wanted-The Reality.

Now that the calendar points to spring, And the mercury starts to mount, It loathes me, ladies, to sit and sing My songs of no account; want to go out where the cowslip

And the wild thyme blows and blows [It's hidden from me what those things may be. But the botanist man-he knows].

want to go out where the lotus lies And the shamrocks sham and rock, Where the fleur-de-lis can be sniffed by me, And the house-leeks gaily flock;

Where the sunshine-bud peeps through the mud, And the ox-eye looks and looks-And if you don't know these plants,

why go, Like Me, to the reference books]. want to go out where the cereus blooms

In its serio-comic style, Where the magwort stands in the mugwort lands And the monk's hoods nod and smile; And I want to stroll where the mulleins

And the wallflowers sit all day— [You never-heard tell of these blooms? Well well! Still, neither had I till today ].

Now that the calendar points to spring And the mercury mounts so fast-want to go out where the titmice

sing.
And the chickedees hop right past—
[Inexer did see any chickedee Or titmouse-hap they'd irk: But I'd rthear do anything-wouldn't

Than stay indoors and work].
